Good Evening Spiro...

Forwarded please see what we found today in follow up to our conversation this AM. This email will also introduce you to Riley Sherwood, our Melrose BID Security Ambassador. Joey Harris is the owner of the bike store in this area and has been promoting problem resolution; you should know him too. I've asked that we follow this issue until it is resolved. It may be that perfection is not possible but we can make improvements in a situation that will be characterized by on-going ups and downs.

Riley is coordinating with the school Assistant Principal and the School Police as well.

I've also copied Captain Sandoval and SLO Dave Cordova so that they are aware of what we are doing.

Thanks for your help.

Hi everyone, this is Riley Sherwood the Melrose Bid Security Ambassador. I was notified we are having problems with the Fairfax students again. I talked to a couple of the stores in the area right across from Fairfax and asked them what issues they are having. At Detention Cafe (7801 Melrose) they said they are having major problems at 0815 in the morning from kids stealing stuff but no problems in the afternoon. Melrose Smoke Shop said he has no issues at all with the students as of right now. Melrose Athletic Supply said they are not having problems like they were having last year, but every now and then a kid will block the doorway. I want to know if you guys are having any problems with the students so we can work this out with the School Police. Please let me know so we can make Business smoother for you guys. We are here to help you guys in any way we can. Thank You.
